THE PHILANTHROPIST

IS the title of a monthly sheet, proposed to be issued in Wilmington, N. C., one dollar a year, payable on receipt of the first number.

Intemperance, the great enemy to prosperity and happiness, is exerting a wide influence throughout the country. It is a growing evil, and is daily destroying the lives, to say nothing of the comforts, of thousands of the human family. notwithstanding the efforts that have been made, and are still being made, towards its suppression. One principal reason why this great evil is still permitted to exist to an alarming extent, is, that the exertions of the friends of the Temperance cause have been confined principally to cities and towns, while villages and the country at large, are almost entirely neglected. A cheap temperance newspaper could not, it is presumed, fail of success, in the way of patronage; and if extensively circulated, would doubtless prove a barrier, in no small degree, to the progress of intemperance; thus carrying out successfully, the praiseworthy intentions of the friends of Temperance, which could not be accomplished in any other way. This publication, besides proving

A foe to the Grog-seller, and the disgraceful habits of drunkenness, will, at the same time, afford a variety of other matter, of a distinct nature.

In North Carolina no paper of this description has ever made its appearance, (although proposals have recently been issued for the purpose), owing, no doubt, to the fact that the influence necessary to promote the success of a work of this kind, has been omitted. An anxious appeal is made to the friends of the cause generally, to use their utmost endeavors to give encouragement to this publication. The first number of the Philanthropist will make its appearance as soon as 600 subscribers can be obtained, which can be done if every influential person would feel a sufficient interest in the cause of Temperance, to exert himself. The Philanthropist will be printed on a medium sized newspaper form, so as to afford a private
